## 2017 Peach State 8 Dance Championship

We are pleased to announce that we will be offering an 8 Dance Championship on Sunday at Peach State this year. The rules and cost are the same as the Nashville Dance Classic was. This idea is a little new to Country Dancing. Here is the information you as Pro need to know to in order to enter.

1. This will be danced in Flight Format. 2 flights as follows:  
1<sup>st</sup> Flight will be Waltz, Night Club, Triple Two and West Coast.  
2<sup>nd</sup> Flight will be Two Step, Cha Cha, Polka and East Coast.
2. There will be only 3 Divisions: Pro-Pro, Pro-Am 16+ and Pro-Am 40+. There are no levels, just the 2 age Divisions in Pro-Am.
3. A Pro can enter only one student per Division. It is entirely up to the Pro how he or she picks the student they offer this honor to.
4. The partnership must enter all eight dances.
5. The male and female students will be competing with their own gender but may be dancing in the same flight as the other gender depending on the number of entries in a Division.
6. The scoring will be by placement, not medals.
7. The music will be 1 min 30 seconds.
8. The beats per minute range will be the same as the Intermediate Pro-Am window in the UCWDC rules.
9. The students cost is \$100 total. This includes both flights/all 8 dances and their scores.

There you go, all the rules on one page!
